

How to reach Uniresearch by car

Please note that Google Maps will guide you to a different building. Therefore please follow the next steps to reach Uniresearch:

1. When entering Delftechpark follow the road and bend around the little grass hill at the end.
2. Turn right at the Computerlaan.
3. Turn right at the first possibility to access the parking lot.
4. Park your car and go to the entrance in the middle of the red building.
5. Ring the bell at Uniresearch.

Uniresearch is situated at the top floor (3rd) and is to be reached by stairs and elevator.
